NEW UNDER 8's TEAM

After a series of summer (that's a laugh!) soccer schools we have finally got our men, well boys, for the new under 8's team. We have a great bunch of characters who will be proud to wear the coveted Warriors shirt and we welcome them and their parents in to the club. The boys were signed up over the past few months following the soccer schools run at Titchfield Park and also a session run at Leen Mills school. Thanks to all those who helped with all the sessions, Mick Burnell, Steve Galloway, Dave Cook, Andy Stephenson, Kyle, Dale, Paul and Sue Burley.

We also welcome the new manager for this team Andy Stephenson who has managed other local teams previously. Thanks to our sponsors HotSpring for providing the funding for the kits.

Our photo shows some of the boys after their friendly pre season match. With a couple of the boys away on holiday.

We look forward to them doing well in their first season in the YEL league.

More information on our new partners can be found at www.hotspring.co.uk

HotSpring Spas is the leading spa retailer in the UK with showrooms across the country (none of which are independently franchised), they offer the most comprehensive service available.

Here is a quote from Mike Dennis of HotSpring "we have always been proud to be local:

the best way to be there for our customers is to be there physically, not just at the end of a phone. As such we were looking for a 'local' organisation to support, but with The Warriors we got much, much more. Teaching life skills such as team building, working for each other, the need for determination and prac-

tice, to young people is great. To do it through the medium of sport, which also promotes health, is excellent. Ultimately, the children learn vital social and life skills whilst having fun, and all within a caring and professional organisation. We are proud to be associated with The Warriors."

FUN DAY 2007—SEPTEMBER 2nd

Our 2nd fun day will be held at The Griffins Head, Papplewick. The fun will start at 11.00am and should finish approximately 5pm. The format will be the same as last year with seven a side football in the morning followed by the sports races in the afternoon. See the web site photo gallery for a reminder of the day last year.

We still need raffle/tombola prizes for the day as well as people to help on the stalls/ barbeque and supervising other activities. Please can you route these to Heather or Lorraine.

The St. Johns Ambulance will be helping us this year by providing first aid cover for the sporting activities. Car parking will be available once again on the field opposite the Griffins Head and parking/programme will cost £1 per car—how ever many in the car.

There will be a formal presentation of the Under 8's home and away kits from Hotspring.

Please help make this a great success by providing prizes and also selling the special Warriors raffle tickets we have had printed especially for this event.ALSO BY TURNING UP & HAVING FUN

“ the Warriors football club wants to make being a member of the club fun - that’s why we arrange fund raising and social events for you—please support these events “

Parents Evening—6th September

Our next parents evening will be on Thursday 6th September at The Talk OF The Town. (Hucknall Town FC) It starts at 7:30pm promptly and doors open at 7pm. Car parking is available. We would ask Parents to arrive between 7pm and 715pm so you can get a drink from the bar and we can start on time. Its very difficult to run these evenings if there are children there so we would ask that wher- ever possible if you can find alternative arrangements for the players for this one night, it would be appreciated. If this is not possible then please bring the children with you. We will share information about the club and the forthcoming season etc on the night as well as give each team an opportunity to ask questions of the manager etc. Last year was well received and we plan to run these a maxi- mum of twice a year. We would also appreciate any feedback on how the club is run and any other suggestions from you all.

And finally.....

Match day

New regulations are that all spectators stand at least 2 metres from the touchline and behind roped off areas where provided. The league say they are sending out staff to monitor this at matches.

New players for the U8/U12's

The club welcomes Jack Warner and Jordan Tovey to the U12's Yellows this season.
The under 8's currently signed on are:- Morgan Brough, Callum Gillan, Charlie Gisborne, Callum Morrill, Kyle Scothern, Josh Smith, Lewis Toop, George Wilkinson and Harry Wright.

Social calendar

The club committee will be meet- ing again after the hectic september to discuss the events for the forth- coming months. If you have any ideas, contacts, etc please contact a member of the committee.
