AUGUST 2009

Warriors 2009 Tournament

On Sunday 19th July the Warriors held their second annual football tournament at Hucknall Town FC.

The day attracted hundreds of people from our three age groups, Under 8, Under 10 and Under 14.

There were lots of attractions for the day including an inflatable slide, bucking bronco, golf, fastest shot an ice-cream van, food stalls and much more!

Although it was a very wet afternoon we still had an impressive turnout leading to us making £145 for each of our four teams to spend on new training and match equipment or other things team specific.

On top of that amount each team received all of the money from raffle sales prior to the day, so in fact for a couple of our teams the amount raised was £400.

We look forward to an equally great day next year!

Photos and videos can be viewed on the web site.

Under 8 Team

We would like to welcome our latest team, the Hucknall Warriors Under 8's.

A welcome video of them can be found at Warriors TV by going to <http://hucknallwarriors.co.uk/tv>.

Membership Fees

The membership fees for all teams start on the week commencing 3rd August. Please remember to give the money to your subs collector. The fees will run until the end of the season and will remain at £5 per week. This fee covers all costs associated with the running of the club.

Trent Barton Connect now sponsoring U14 Reds

The Trent Barton Connect bus service, which runs around the Hucknall estates to the Tram and High Street is now sponsoring our Warriors U14 Red team.

The company has given £994.60 to the team to buy brand new kits for each and every one of the players (right).

The cheque was presented by the Connect Brand Manager Glenn Pearson on 19th July 2009 at the Trent Barton depot in Hucknall. Read more about this on the web site. We have also posted photographs and videos at our web site.

New web site

After a struggle to get everything working ready for the new season we have now completed it! The new www.hucknallwarriors.co.uk consists of a much improved design, the inclusion of the under 8 team (which they have been awaiting for a long time!) and most notably a brand new link on the navigation bar for videos. This allows you to watch videos that have been taken

at Warriors special events and matches. You can view the videos directly from the web site using the built in player, or you can even load our videos into iTunes, allowing you to have an automatic download to your iPod, meaning you can watch our videos when you are away from the computer. Send in any interesting photos to us.

Under 10 Team

After a number of players left our Under 10 team, along with the manager it looked as if the team would unfortunately have to disband, but fortunately, after a lot of hard work, we have managed to get a new manager and a full squad for this coming season. Hucknall Warriors FC welcomes all new players and parents to the football club.

Presentation Night 2010

We would just like to let everyone know that the date for presentation night 2010 has been confirmed to be on April 23rd. The venue is yet to be confirmed but we will let you know once it is!
